

Catholic Prayers: Prayer to Saint Anthony of Padua

Good St. Anthony, you were ever blessed with a deep affection for our Lady, Queen of Heaven. Help me to imitate your own dedication to the Mother of God. May the holy Virgin protect me amid the perils of life, assist me in my present need, and at the hour of death. Please offer in her honor the prayers I make to you as well as those the children of our Franciscan missions offer for me.

Pray: *Our Father*

Pray: *Hail Mary*

Pray: *Glory Be*
