

Catholic Prayers: Prayer to Saint Dominic Savio

Great model for God-loving boys and cherished pupil of the famous Don Bosco, you died prematurely, humanly speaking, but you had already attained mature spiritual wisdom. Your kindness won you many friends, but your love above all sought the Master who is present in our tabernacles. His praises you eucharistically sang. Make choir boys be singers like you, for the love of Jesus, our most loving Master.
Amen.
